I _____ (中文全名) wish to cancel my membership with Jeunesse.

I understand that I will be unable to re-join Jeunesse for a period of twelve or eighteen (12 or 18) months depend on your rank. I have deactivated my Smartdelivery and any product that has been distributed to me, must be returned before my refund will be credited. I am also aware that my refund may take up to thirty days to process and will not include the shipping and handling charges and any commissions I may have received. If this request is after the thirty days guarantee, I understand that my initial signup fee will not be included and a 10% restocking fee will apply to any of my returns.
